Informação adicional:

Offering approximately 280 sqm of living space, this character property immediately stands out for its generous proportions, natural light, and private, unoverlooked setting. Located in Meursac, in a quiet and wooded environment, it provides a peaceful lifestyle while remaining easily accessible—just 10 minutes from Saujon and 20 minutes from Saintes and the coast. The nearby villages of Saint-Romain-de-Benet and Pisany offer all everyday amenities. Set on a plot of around 2,500 sqm, the property enjoys a landscaped garden with mature trees and a variety of planting, creating a green and sheltered outdoor space. The house is well laid out, with a practical and flowing design. The ground floor features an entrance hall, utility room, kitchen, shower room, a particularly bright and spacious living area, and a master suite allowing for single-level living. Upstairs, a second living area of 44 sqm complements four large bedrooms and an additional shower room. A self-contained section of the property, previously and successfully used as a holiday rental, adds real value. It can provide supplementary income or easily be reintegrated into the main house depending on requirements. Several outbuildings complete the property, including a garage, workshop, covered areas, and a wooden bungalow. A versatile property offering multiple possibilities—ideal as a main residence, holiday home, or rental investment—in a sought-after area close to the coast. Early viewing highly recommended.
