#### Informação adicional:

I was born in the heart of the 1800s, in this preserved hamlet of Meyrals, where time seems to stand still. For generations, I have sheltered lives, precious moments, and memories that my stones still whisper to those who take the time to listen.

Today, I offer 250 m<sup>2</sup> of character, shaped by exposed stone walls, original wooden beams, and generous volumes that reflect my authenticity. My ground floor features beautiful living spaces, filled with a warm and truly cocooning atmosphere. At the heart of my living room, my stone fireplace and wood-burning stove create a true place of gathering, faithful to my history.

Upstairs, in my barn, a loft space opens up a wide range of possibilities: workshop, reception area, or creative space. A more intimate bedroom welcomes you for moments of calm and serenity.

I have journeyed through the centuries without ever losing my soul... and today, I am ready to write a new chapter with you.
