The property offers a perfect blend of space, privacy and elegant Mediterranean living. Set on a generous plot of 1,884 m² with a total build size of 404 m², the property enjoys open and sea views with an east-facing orientation, allowing for plenty of natural light throughout the day. Recently refurbished to a high standard, the villa combines traditional character with modern comfort, featuring wooden accents, bright interiors and a well-thought-out layout across two levels.

Entering through a charming wooden front door, you are welcomed into a spacious hallway with a guest toilet, leading into a bright open-plan living and dining area. Large windows frame the views and provide direct access to the terrace, creating a seamless connection between indoor and outdoor living. A fireplace adds warmth during the cooler months. The modern open-plan kitchen with island has been recently updated and is fully equipped, with a separate laundry and utility room offering additional practicality and direct access to the outside.

On the main level, there are three generously sized bedrooms and two bathrooms, all designed with comfort in mind. Upstairs, the villa continues to impress with a spacious master suite featuring a luxurious en-suite bathroom with jacuzzi and walk-in shower, as well as access to a private terrace with beautiful sea views. Two additional bedrooms are located on this level, both benefiting from excellent natural light and access to terraces, along with further bathrooms.

The outdoor areas are designed for relaxed Mediterranean living, with a large terrace surrounding the pool, a naya for shaded seating, and a fully equipped summer kitchen with bar area, perfect for entertaining.
