Informação adicional:

What if you could buy today and start enjoying it tomorrow?

This is not just another apartment for sale in Câmara de Lobos. It is a property completed in 2025, fully furnished, equipped and prepared to receive its new owners or its first guests from day one.

No works. No waiting. No additional costs.

With a generous panoramic balcony that accompanies the entire front of the property, this T2 offers a permanent connection to the best that Madeira has to offer: sea views, mountain views, excellent sun exposure and a feeling of spaciousness rare to find in the most recent developments.

Located in one of the most sought-after areas of the island, Câmara de Lobos continues to assert itself as one of the most visited destinations in Madeira, both by residents and tourists looking for authenticity, proximity to Funchal and quality of life. Just a few minutes from the city center, but away from the daily

hustle and bustle, this apartment benefits from a strategic location to live or invest.

For those looking for profitability, this is a particularly interesting opportunity. In a market where tourist accommodation continues to show strong demand and where new urban constraints make it increasingly difficult to find quality products, a new, fully equipped and ready-to-enter property represents a significant competitive advantage.

Just one minute from the Expressway and two minutes from the mainland, restaurants, pharmacies, schools and services, it offers the convenience residents seek and the location visitors value.

The property also includes two large private parking spaces and storage room, characteristics increasingly valued in today's market.

If you are looking for a new apartment in Madeira, with sea view, ready to move in, fully furnished and inserted in a location with strong potential for appreciation and constant demand, this could be one of the most complete opportunities currently available in Câmara de Lobos.

A house ready to live in.

An investment ready to monetize.

A location that never goes out of style.

Schedule your visit and find out why.
