Coastal Air, Rustling Trees and Rosemary on the Breeze.

Villa 'The Jave' named after the coastal town of Jávea, overlooks the iconic lighthouse, rocky outcrops, and the charming bay of Cala del Portitxol, offering a front-row seat to the Mediterranean's most captivating scenery.

Recently renovated to an exceptional standard in 2023, the villa blends soft contemporary design with natural textures and timeless architectural character. From the moment you arrive, the atmosphere is calm, elegant, and quietly impressive.

The heart of the villa is the elegant open-plan living area, where the kitchen, dining space, and lounge flow seamlessly onto a spacious covered terrace overlooking the Mediterranean. Floor-to-ceiling glazing floods the interiors with natural light, while framing uninterrupted sea views that become part of everyday living.

Distributed across two levels, the home offers four beautifully presented bedrooms, three stylish bathrooms and two guest toilets. The principal suite enjoys a peaceful position on the upper floor, while the remaining bedrooms open directly onto the pool terrace, reinforcing the villa's relaxed indoor-outdoor lifestyle.

Outside, the atmosphere becomes unmistakably Mediterranean. A heated 11 x 4 metre swimming pool sits amongst landscaped gardens and a series of elegant terraces designed for long lunches, sunset

gatherings, and quiet moments in the shade. The summer kitchen and barbecue area invite effortless entertaining, while the rooftop chill-out terrace provides a spectacular setting to unwind beneath the open sky.

Modern comforts have been thoughtfully integrated throughout, including underfloor heating, solar energy systems, advanced security, covered parking, and additional storage.
