Informação adicional:

Discover a remarkable opportunity to secure a premium piece of coastal paradise in the rapidly emerging destination of South Lenang, Sumba. Offered as Freehold ownership at an attractive price of USD 250,000, this expansive 15,205 sqm oceanfront land parcel presents an exceptional chance for investors, developers, and visionaries seeking to capitalize on one of Indonesia's most promising real estate markets. Positioned along a breathtaking stretch of coastline, this extraordinary property boasts uninterrupted panoramic views of the Indian Ocean, complemented by Sumba's iconic rolling savannas and dramatic natural landscapes. The combination of oceanfront frontage, elevated viewpoints, and vast land size creates a truly unique setting that is becoming increasingly difficult to find.

For buyers searching for Sumba real estate for sale, opportunities of this scale and location are exceptionally rare. The property's generous dimensions provide immense flexibility for future development. Whether you envision a world-class boutique resort, an exclusive luxury villa compound, a wellness retreat, or a strategic long-term investment, this land offers the ideal foundation to bring ambitious projects to life. As tourism and infrastructure continue to evolve across the island, demand for high-quality coastal developments is expected to rise, making this an attractive land banking opportunity with significant future upside. As one of the most compelling Beachfront properties for sale in Sumba, the site offers direct access to the island's pristine coastal environment while maintaining a sense of privacy and exclusivity. Investors looking at Luxury properties for sale in Sumba will appreciate the

property's potential to accommodate premium hospitality or residential concepts designed to capture the growing international interest in the island.

South Lenang is increasingly recognized for its untouched beauty, authentic culture, and investment potential. This remarkable Sumba Land for sale combines a strategic location, substantial land size, and spectacular natural surroundings, making it a standout asset in the region. Whether for immediate development or long-term appreciation, this freehold oceanfront estate represents a rare opportunity to secure a significant foothold in one of Indonesia's most exciting coastal destinations. With its unparalleled sea views, expansive savanna backdrop, and outstanding development potential, this property is perfectly positioned to become a landmark project and a valuable addition to any investment portfolio.
