Informação adicional:

Located on the road to the beach in the charming seaside village of Burgau (often referred to as the Portuguese Santorini) this three bedroom townhouse presents a rare opportunity to create an exceptional home or investment in one of the West Algarves most sought after destinations.

Ideal as a holiday retreat, rental investment, or permanent residence, the property sits in a prime central location, just moments from the beach, restaurants, and village amenities.

Originally two separate apartments that were thoughtfully merged into a single residence, the townhouse benefits from a versatile and flexible layout. This unique feature offers the option to maintain the property as one spacious home or to reconfigure it back into two independent units, subject to the necessary permissions, making it particularly attractive to investors...

This cosy, traditional townhouse also offers significant potential for enhancement. With neighbouring properties already extending an additional floor, there is scope to add another level, which would likely provide sea views and further increase the property's value.

A unique opportunity to acquire a character property with flexibility, charm, and future potential in one of the Algarves most desirable coastal villages. - REF: M/06234
