3-Room Apartment with Direct Sea & Forest View and Terraces | Terrazul Olimp Exclusive Development | Between the Sea and the Forest

We present for sale a premium 3-room apartment located on the 2nd floor of the boutique residential development Terrazul Olimp, one of the most exclusive projects currently under development on the Romanian seaside.
Situated in a particularly quiet area of Olimp, between the sea and the forest, the project offers a rare lifestyle where nature, privacy, and contemporary comfort blend seamlessly. With only 13 apartments in the entire building, Terrazul Olimp is designed for those who value exclusivity, generous spaces, and uncompromising quality.
A defining feature of this apartment is its direct view of both the sea and the forest, offering an exceptional natural panorama and a constant sense of openness, light, and tranquility.
Apartment Details:
3-room layout
88 sqm usable area
108 sqm total built area

19.3 sqm total terraces (front terrace and side terrace)
Open-space living room with kitchen + lounge area: 38.50 sqm
Master bedroom with walk-in dressing: 20.80 sqm
Secondary room: 12.00 sqm
2 fully equipped bathrooms
2nd floor location
The apartment features an excellent layout, expansive glazed surfaces, and two terraces ensuring seamless indoor-outdoor living, abundant natural light, and ideal spaces for relaxation and outdoor enjoyment.
Price: EUR 357.900

About Terrazul Olimp Boutique Apartments Terrazul Olimp is a boutique residential development featuring modern architecture, low-rise design, and a limited number of residences, created to offer privacy and comfort in an exceptional natural setting, just minutes away from Olimp beach and the seafront promenade.
