On the lower level, there are two self-contained apartments, each offering a living-dining room, a fully equipped kitchen, two bedrooms and a full bathroom. Both apartments have their own private entrance and are connected to the main residence via external stairs, ensuring privacy while providing excellent flexibility of use.

Designed to make the most of the Mediterranean lifestyle all year round, the villa features a private swimming pool, spacious sun-drenched terraces, a pleasant barbecue area, several chill-out spaces and a

beautifully maintained Mediterranean garden. Its privileged orientation and location offer an exceptional combination of tranquillity, privacy and panoramic views.
