This property, with 422 m² of area, has enormous potential for real estate appreciation and development:

- Central, exclusive location
- 7 rooms
- Approved architectural design
- Possibility of expanding the 1st floor to the building's façade;
- Possibility of creating up to 7 apartments
- Traces of typical Alentejo architecture
- Excellent opportunity for real estate investors and developers

In a market where assets with construction potential in central areas are increasingly scarce, this is an opportunity to create value and profitability in a consolidated and high-demand location.
