#### Informação adicional:

This is a modern style, five year old home set on a gently sloping 800 sq metre block, sharing a quiet cul de sac with only two other homes. It is only a few minutes drive from the Chalong Circle with its many shops, cafes, medical services, P.O, and the tranquil waters of Chalong Bay as well as direct access to the main roads servicing the large shopping complexes, hospitals and the international airport. The ground floor consists of very spacious living and dining areas, with doors opening into the garden, a large master bedroom and bathroom, and a Thai style kitchen. On the upper level with a delightful terrace looking out to the tropical garden, and surrounding hillsides are located two light and airy bedrooms with a shared bathroom.

There are two air conditioners, insect screens, a covered carport and a lush garden. The home has Cable/UBC, well water, septic tank and 3 phase electricity, and is accessed via a paved road.
