Informação adicional:

Cortona (AR): Real estate complex of the former Laterizi factory consisting of an industrial building of 8,500 sqm, a two-level residence of 360 sqm with a private courtyard and land. The property requires renovation work; in particular, the industrial building is in a state of ruin and needs to be demolished and rebuilt, currently lacking a roof, fixtures, and systems. There is the possibility of using it for artisanal, agricultural purposes, for breeding, or as a storage facility. It is possible to recover the existing volume with a new footprint, building one or more structures with a maximum height of 8.50 meters. The area designated for agricultural use is 2.2 hectares, while the total area for the building plot is about 8 hectares. The property is suitable for intensive breeding with the possibility of organic farming.
