Informação adicional:

In one of the most sought-after areas of the southern Costa Blanca, a modern new development is taking shape that perfectly combines contemporary living, comfort, and the Mediterranean lifestyle.

The apartments are located in an attractive and well-connected area, with short distances to beaches, golf courses, shops, and the airport. This makes them ideal both as a permanent residence and as an investment opportunity.

The two- and three-bedroom apartments feature a bright, open-plan layout. The spacious living and dining area with an integrated kitchen forms the heart of the home, creating a perfect balance between functionality and comfort. Large windows allow plenty of natural light, enhancing the warm and welcoming atmosphere.

High-quality finishes and a modern, clean design define the entire project. Elegant flooring, stylish bathrooms, and carefully selected materials create a harmonious and timeless living environment. The bedrooms offer peace and privacy, while built-in wardrobes provide practical storage solutions.

The communal areas are designed for quality of life. A well-maintained swimming pool area invites residents to relax and enjoy the Mediterranean climate.

This development represents modern, relaxed living in a fast-growing coastal region – clean in design, high in quality, and ideal for those seeking a sunny and comfortable lifestyle.
