New Development in Fuengirola	

Discover a new way to experience the Costa del Sol in an exclusive boutique development of 42 luxury homes in Fuengirola, designed for those seeking a balance between design, well-being, privacy, and connection with the Mediterranean.

A unique residential complex where contemporary architecture, natural light, and open spaces are integrated into a privileged environment to create homes that inspire tranquility and sophistication.

Located in one of the most attractive areas of Fuengirola, this development is born from a low-density residential concept that prioritizes comfort, spaciousness, and quality of life. Every detail has been carefully designed to offer a superior residential experience, combining avant-garde aesthetics, premium materials, and amenities designed for daily enjoyment.

The homes, with 2 and 3 bedrooms, stand out for their functional and bright layouts, with southeast or southwest orientation to maximize natural light and enjoy spectacular Mediterranean sunrises and sunsets. Large windows naturally connect the interior with the exterior, creating open, warm, and vibrant spaces throughout the year.

One of the great protagonists of this residential complex is its extraordinary terraces. All homes feature spacious outdoor areas of over 23 m², ideal for creating different environments for relaxation, dining, or outdoor leisure.

The ground floor homes elevate this experience with impressive terraces and gardens reaching up to 80 m², while the penthouses redefine luxury with spectacular outdoor terraces of up to 150 m² and private solariums, designed to enjoy the privileged climate of the Costa del Sol in complete privacy.
