If you are looking for space, privacy and an unobstructed view of the sea to build your dream villa, this is the ideal land. We present this magnificent urban plot with a total area of 557m2, located in the quiet and sunny parish of Campanário, Ribeira Brava.

Main features:

Space and Potential: With a fantastic roadfront, this plot allows for a total implantation area of up to 300m2 and a gross construction area also of 300m2. More than enough space for a large detached villa, complemented by swimming pool, barbecue areas and gardens or two semi-detached villas.

View and Sun Exposure: Positioned on a slope that guarantees a view of the Atlantic Ocean and the mountains, benefiting from excellent sun exposure throughout the day.

Access and Surroundings: Located on Rua São João, the land enjoys easy and direct access by tarmac road, proximity to the highway and insertion in a very quiet and safe residential area.

Live in the Microclimate of Campanile:

The location perfectly combines the tranquility of the countryside with the convenience of urban proximity: it is just a few minutes from the center of Ribeira Brava and just 15 minutes from Funchal.

This is the opportunity to acquire a plot of land with generous dimensions to bring your architectural project to life without space restrictions.
