Informação adicional:

This exclusive property in Cabo Roig represents a strictly strategic investment opportunity. Situated on a true frontline, it offers undeniable value: direct access to the sea and uninterrupted panoramic views of the Mediterranean, features that are very scarce in today's Costa Blanca market.

This is a solid, raw structure of 668 m² on a spacious 1,360 m² plot with a private pool. Realistically, it is not a ready-to-move-in home, but an asset that requires investment for its completion and comprehensive renovation. This condition is its greatest advantage: it allows the buyer to execute a completely custom luxury project, without the limitations of an already finished layout.

The Cabo Roig environment is a consolidated enclave of high purchasing power, equipped with marinas, blue flag beaches, and premium services. Logistically, the location is excellent, just 45 minutes from Alicante International Airport via the AP-7.

An ideal asset for those who demand an unbeatable location and construction freedom.
