Investor Opportunity, Renovation & Flip Potential on the Costa del Sol.

This is a rare opportunity for investors, developers, builders, and cash buyers looking for a property with outstanding renovation potential on the Costa del Sol.

The property has suffered water damage and requires a full refurbishment, making it ideal for buyers seeking a value-add project with strong resale or rental potential. With the right renovation, this property offers an excellent opportunity to create significant value in a highly desirable location.

Properties with this level of investment potential are becoming increasingly difficult to find, making this an attractive option for experienced investors and property flippers.

Watch the video for the full walkthrough.

Property can be considered a duplex apartment and / or a townhouse with 2 bedrooms and 2 bathrooms + a guest toilet.

Very nice sea views and terraces on every level. There is a possibility of converting one of the spaces into and 3 bedroom or large office space.
