Informação adicional:

Unique opportunity to acquire a commercial space located in the Habaneras area, one of the most dynamic and busiest areas of the coastal municipality of Torrevieja. This space has a total constructed area of 30 square meters and is oriented to the east, which guarantees brightness for a large part of the day. Although the premises are maintained in their original condition, its strategic location allows for multiple possibilities for entrepreneurs or investors interested in establishing businesses related to all the services available just a few steps away: nearby buses facilitate public access; there are also major shopping centers like Carrefour nearby, as well as schools and medical facilities (hospitals) that enrich the commercial proposal given their high daily demand. Ideal for both investment and starting your own business project.
