Informação adicional:

For those dreaming of peace, privacy and space, this unique project offers the opportunity to have a beautiful villa built entirely to your specifications on a generous plot in an authentic Spanish setting. The villa will be constructed using high-quality materials and in accordance with the latest building standards, with comfort, quality and contemporary design at its heart. The property will feature 3 spacious bedrooms, 2 bathrooms, an inviting living room and a generous terrace that seamlessly connects indoor and outdoor living. A private swimming pool completes the picture, allowing you to make the most of the wonderful Mediterranean climate.

Approximately 2,500 m² of land surrounding the villa will be fully fenced, providing plenty of privacy and creating a pleasant and secluded outdoor living area. The entire plot measures an impressive 10,000 m², offering an exceptional sense of freedom and space.

The location combines the best of both worlds: peaceful living surrounded by nature, while an authentic Spanish village is only a short distance away. Here, you can still experience the genuine Spanish atmosphere and relaxed way of life.

We have several plots available in this area, allowing you to choose the location that best suits your wishes. This is more than simply owning a property in Spain; it is the opportunity to create a home that is truly yours from the very beginning: your own villa, on your own piece of Spain.
