Informação adicional:

Located in Sol Golf, PAU 8, Villamartin, this 2 bedroom, 1 bathroom top-floor apartment offers an excellent outdoor living space thanks to its impressive 44.52m² private roof solarium, together with a front balcony and off-road parking.

The property comprises a bright lounge area with a feature fireplace, leading through to a fitted kitchen positioned to the rear. There are two double bedrooms with fitted wardrobes and a renovated family bathroom complete with a walk-in shower.

From the kitchen there is access up to the property's standout feature – the large private roof solarium measuring approximately 44.52m². With plenty of room for sunbathing, outdoor dining and entertaining, it provides a fantastic additional space to enjoy the Costa Blanca climate throughout the year.

The apartment also benefits from a front balcony, air-conditioning, and is being sold furnished including white goods. A private off-road parking space also belongs to the property, while residents of Sol Golf have access to a communal swimming pool located nearby within the development. The registered parking space measures approximately 15.15m².

The property has had the same owners since it was originally purchased in 2005, making this a rare

opportunity to acquire a well-established home in one of PAU 8's popular residential communities. Sol Golf enjoys an excellent position in Villamartin, with Villamartin Plaza and Villamartin Golf Course within walking distance, offering a wide selection of restaurants, bars and everyday amenities. Several other golf courses, including Campoamor and Las Ramblas, are also within a short drive, while the sandy beaches of the Orihuela Costa and the shopping facilities at Zenia Boulevard can be reached easily by car. A well-positioned top-floor Villamartin property where the large private roof solarium is undoubtedly the highlight, providing considerably more outdoor space than you would normally expect from an apartment of this size.
