Informação adicional:

Set on a 1,050 m² plot in a quiet residential street in Estoril, this 1920 villa has a mature garden and views towards the sea and Cascais Bay from its upper floors.

The villa currently measures 465 m² and is offered in its present condition, together with a renovation project designed by Portuguese architect Vítor Vitorino. The design preserves the property's character while reinterpreting its arches through contemporary architecture, generous glazing and a natural connection between the house, terraces and garden.

The project envisages 545 m² following renovation, with spacious reception areas, bedroom suites, wellness spaces and a lift. Planned outdoor features include landscaped gardens, a swimming pool, a rooftop terrace with a jacuzzi and a three-car garage. Completion of the works is expected in 2027.

An opportunity to create a distinctive home in one of Estoril's most sought-after locations, with scope to choose the finishes and shape the property's transformation.
