Enjoy the charm of Mediterranean living in this detached villa located in Ciudad Quesada, in the municipality of Rojales. Just a two-minute walk from the town center and amenities, it combines space, comfort, and beautiful outdoor areas for living to the fullest both indoors and out.

A private pool and a garden that invite relaxation

Set on a generous 1,250 m² plot, the property boasts a garden adorned with palm trees, plantings, and landscaped areas for relaxation. Its private swimming pool is one of its greatest assets: family swims, refreshing moments, and sunny days, all right at home.

The covered terrace and veranda extend the living spaces and allow you to enjoy the garden at different times of the day. In the evening, the outdoor lighting creates a welcoming atmosphere around the pool. 180 m² for comfortable everyday living

The villa offers 180 square meters of living space, with three bedrooms, two facing south and one facing north, as well as two bathrooms. The living room and dining room provide separate spaces for socializing, entertaining, and sharing meals. A fully equipped kitchen completes the property.

Offered semi-furnished, the house retains the possibility of adding your personal touch.
