AHAWEL A return to the origin to reach a new destination

AHAWEL is a sustainable development in Tulum that blends contemporary design with the natural and cultural essence of the Mexican Caribbean. This exclusive project invites you to reconnect with nature and yourself offering an ideal habitat for living vacationing or investing. Inspired by the ecological and spiritual richness of the region AHAWEL promotes a conscious lifestyle in harmony with the environment.

Its strategic location just minutes from the new Tulum bypass and the Maya Train route offers you the opportunity to enjoy tranquility without sacrificing connectivity. The master plan integrates a wide variety of amenities designed for well being and community Gypsy Market commercial areas Cenote Plaza a biopool bike paths natural parks a social and sports club an amphitheater and a boutique hotel. All of this is surrounded by sustainable landscaping and two natural cenotes that are an essential part of its ecological infrastructure.

Within the development is PORTAL a premium cluster with 85 residential lots ranging from 250 m2 to 350 m2 designed by the renowned firm ARKHAM. Its design promotes a balanced lifestyle with sports areas calisthenics facilities and a natural cenote fostering an authentic and healthy community.

Investing in AHAWEL Tulum guarantees high long term appreciation as Tulum continues to position itself as one of the destinations with the highest growth and real estate value in Mexico.
