Luxury Living on the Fairway Silves Golf Resort, Western Algarve

Set on rolling land north of Silves, overlooking the resort's own golf course with sweeping views toward the Monchique Mountains and the Vila Fria valley, this is a modern, low-density development of 3-bedroom and 4-bedroom houses with private swimming pool, each finished to a contemporary, high-end standard with clean lines, large glazed openings, and private gardens. The resort is being built by Portugal's largest hospitality group, bringing international-standard construction, management, and service to every home. Completion is scheduled for the beginning of 2029, and an attractive staged payment plan is available for buyers.

For golf players: your front door opens straight onto the course. The on-site clubhouse brings golf services, a restaurant, and a shop within walking distance, and ownership comes with golf rights and resort discounts so every round starts at home, not after a drive.

For investors: this is a resort planned for 178 units, backed by Portugal's leading name in hospitality and carrying the brand strength, management expertise, and loyalty-program privileges that come with it. With completion set for early 2029 and a flexible payment plan to spread costs through construction, it's a

straightforward entry point for anyone looking to secure value ahead of delivery.

For end users: beyond the golf, you're minutes from the historic hilltop town of Silves with its Moorish castle, roughly 15 minutes from the Algarve coastline, and within easy reach of Faro International Airport. The resort is gated with 24-hour security, and residents share access to communal pools, gardens, and the clubhouse resort-style living with the privacy of your own home.

Luxury. Modern. Golf-first. A rare combination of lifestyle, rental potential, and long-term value, developed by the group that leads hospitality in Portugal. - REF: BC1072
