Set on the waterfront in Cabanas de Tavira, this exceptional three-bedroom top-floor apartment enjoys beautiful views over the Ria Formosa and spectacular sunsets. Completed in 2021 to a high standard of construction and finishes, the property forms part of a small, private condominium with a communal swimming pool, landscaped gardens and underground parking and storage rooms. Offering approximately 120 m² of interior accommodation and an impressive 150 m² of outdoor space, the apartment combines contemporary design, generous terraces and an excellent location within walking distance of restaurants, cafés, shops and the boat service to Cabanas Beach.

The well-designed interior offers comfortable, spacious accommodation with three bedrooms, including two en-suite bedrooms with fitted wardrobes and direct access to the outside terraces. The living areas benefit from natural light and quality finishes throughout, while a gas fireplace adds warmth and character. Year-round comfort is ensured by underfloor heating powered by a heat pump, reversible air conditioning and a solar hot water system supported by a heat pump. Generous built-in storage provides additional practicality, making the apartment equally suitable for permanent living or extended stays.

Outdoor living is a particular highlight, with two spacious front-facing terraces enjoying uninterrupted views across the Ria Formosa. The lower terrace features an outdoor kitchen, dining and lounge area, ideal for al fresco dining, entertaining or enjoying the sunset. The upper terrace offers a private Jacuzzi and relaxation area, providing the perfect setting to unwind and take in the beautiful surroundings. The property also benefits from parking for two cars, two private lockable storage rooms and additional storage within the apartment. Residents have access to the condominium's swimming pool and landscaped gardens, all within an intimate and well-maintained development.

Ideally positioned in the heart of Cabanas de Tavira, the apartment is within walking distance of local amenities and the boat crossing to the beach, with Tavira approximately 15 minutes away and Faro International Airport around 45 minutes by car. Golf courses, cycling routes, water sports, birdwatching and fishing are all easily accessible. With the possibility of being sold furnished, the property offers an appealing, low-maintenance lock-up-and-leave home, whether as a permanent residence, holiday property or potential rental investment, subject to the necessary licensing requirements.
