Informação adicional:

Settle into a recently renovated house in Torre de la Horadada, ideal for enjoying family life on the Mediterranean coast. Its beautiful outdoor spaces, modern amenities, and proximity to the beach make it a particularly pleasant place to live every day.

This single-story house offers 150 m² of living space on a 250 m² plot, with three bedrooms, two bathrooms, a bright living room, and a fully equipped kitchen. Furnished and ready to move into, it features air conditioning, individual heating, and a fiber optic internet connection.

Outside, enjoy your private pool, garden, patio and terrace: perfect for sharing moments with family, relaxing in the sun or gathering loved ones around a barbecue.

The house also has a private parking space within the property, with an electric car charging station, included in the rent. A real plus for combining comfort and convenience!

Solar panels and their battery help reduce electricity consumption from the grid. A security system and storage space complete the amenities.

Located in a quiet residential area, the house benefits from its proximity to restaurants, supermarkets, and the seafront promenade. The beach is just a 5-minute walk away, making it easy to enjoy the sea with children.

Available from November 1st, for seasonal rental. Pets not allowed.
