Informação adicional:

This bungalow for sale in Torre Vieja is a brand-new 2025 build that gives buyers a rare chance to step straight into coastal living without compromise — priced at €275,000 and ready to impress from the moment you arrive. With a south-facing orientation, three bedrooms, two bathrooms and 70 m² of well-planned living space, it ticks every box for a permanent home, a holiday retreat or a sound investment on the Costa Blanca.

Inside, the layout feels immediately welcoming. A bright living area flows naturally into a functional kitchen, while all three bedrooms benefit from built-in wardrobes — keeping spaces feeling open and organised no matter how long you stay. Two full bathrooms serve the household comfortably, making this bungalow just as practical for a growing family as it is for a couple who love to host. Air conditioning is pre-installed, so adding your preferred system is a simple, low-cost step when you move in.

Step outside and the communal pool becomes an instant favourite — perfect for long, sun-soaked afternoons without the upkeep of a private pool. The compact footprint of this bungalow keeps running costs and maintenance refreshingly low, which is especially appealing for lock-up-and-leave buyers or first-time investors. With Alicante Airport just approximately 30 km away, weekend escapes and long-haul visits are equally straightforward.

Torre Vieja itself is the backdrop that makes this property so desirable. Famous for its iconic pink salt lakes — a protected natural reserve beloved by wellness enthusiasts — the town also boasts a string of Blue Flag beaches, a lively harbour lined with restaurants and tapas bars, and a full range of shops, health centres and international schools. The sea is just approximately 2 km away, close enough to feel the salt air from your terrace yet far enough to enjoy genuine tranquillity at home.

Whether you are searching for a sun-filled base to escape northern winters or a reliable rental asset in one of Spain's most visited coastal towns, this new build bungalow delivers on every front.
