Informação adicional:

Great designer villa located in one of the most desirable areas of the entire Costa Blanca, 'La Corona', designed with flowing lines and very pleasant and bright interior spaces. Large windows to enjoy the wonderful views of the town of Jávea and the Mediterranean Sea, both from inside the house and its terraces or garden. The house is located just 1 km from the beach and the port, with all kinds of services nearby, such as; restaurants, supermarkets, shops, pharmacy, health center, sports center, etc. Access to the property is made through an electric gate through which a path leads up to the parking area and a very good size garage for 2 cars. A large entrance door with a natural stone wall, and upon entering, a beautiful interior patio welcomes you. In addition, on this floor we find two large storage rooms. Through the internal staircase you access the main floor, which is composed of: Living room with great views of the sea and the mountains; Dining room with bar area; Fully equipped independent kitchen (induction) with direct access to the laundry area; From the living room and dining room there is access to a large terrace, partially covered, with stunning views of the sea and the city of Jávea. From this terrace you also directly reach the garden and the pool area. Going up a few steps we find: A shower room; Double bedroom with fitted wardrobes. From this bedroom there is direct access to the garden where you can create a nice chillout area / terrace; An office; A few more steps lead to the master bedroom, which has a shower room ensuite, large

dressings and reading/relax area (office) with sea views. From this bedroom there is access to a large terrace with views of the sea and the whole town of Jávea. The upper floor of the villa has: Large hallway with lounge area; Two double bedrooms with fitted wardrobes. These two bedrooms each also have a small outdoor terrace (currently these terraces do not have a railing, but it could be easily installed); A shower room; The garden is easy to maintain and has beautiful details such as a large olive tree, under which you can enjoy the shade in summer, and the grass around the pool; The pool area has a sauna, shower and a toilet right next to it; The house, among others, is equipped with: Double glazed windows; Hydraulic blinds in the living/dining room; Underfloor heating by heat pump; Hot sanitary water by heat pump; Solar panels to generate electricity, thus lowering consumption considerably; Airconditioning; For more information, do not hesitate to contact us; Disclaimer: All property details, including built-up areas, plot sizes, dimensions, and other specifications, are based on information and documentation available to us at the time of publication.
