Wake up to beautiful views, enjoy breakfast on your terrace under the Spanish sun, then choose between a day by the sea, a round of golf or simply relaxing by the pool. Here, the Mediterranean lifestyle begins the moment you step outside.

In a wonderful location in sunny Almería, close to Aguilón Golf and the Mediterranean coastline of San Juan de los Terreros, this beautiful new-build development brings together space, comfort and relaxation.

The location offers the best of both worlds: peace, tranquillity and beautiful views around your home, while beaches, golf, restaurants, shops and charming coastal towns are all within easy reach.

Spacious 3-bedroom apartments

These modern new-build apartments feature 3 bedrooms and 2 bathrooms and are ideal for anyone looking for that little bit of extra space.

The third bedroom makes these properties particularly suitable for families or for those who regularly welcome friends and relatives. It can also be used as a home office or hobby room, making the apartment an excellent choice for longer stays under the Spanish sun.

The properties combine contemporary design with plenty of natural light and a wonderful sense of space. Their attractive location also provides beautiful views of the surrounding landscape.

A wonderful place to start the morning at a relaxed pace, enjoy the Mediterranean climate throughout the day and spend the evening together on your terrace.

Enjoy extensive resort-style facilities

Outside your apartment, everything is designed around relaxation and enjoyment.

The attractive communal areas feature no fewer than three swimming pools, giving you plenty of opportunities to cool off and make the most of the Spanish sunshine.

And the enjoyment doesn't stop when summer is over. The development also features a heated indoor swimming pool with spa, perfect for swimming and relaxing during the mild winter months.

For those who like to stay active, there is a gym, and every apartment also comes with its own private parking space.

It is the perfect combination of the privacy and comfort of your own apartment with the facilities and relaxed atmosphere of a resort.

Aguilón Golf just around the corner

For golf enthusiasts, the location is particularly attractive.

The impressive Aguilón Golf is located nearby and blends beautifully into the distinctive landscape of this region. Playing golf surrounded by mountains and Mediterranean views makes every round a memorable experience.

A round of golf in the morning, lunch by the sea and an afternoon relaxing by the pool – here, it can all be part of your day.

The Mediterranean within easy reach

The coast is also close by. The beautiful beaches and coves around San Juan de los Terreros are just a short drive away.

Here you can enjoy the Mediterranean Sea, welcoming restaurants and terraces and, above all, the relaxed atmosphere of southern Spain that makes it so easy to leave everyday life behind.

For a little more activity, head to Águilas. This attractive coastal town offers a marina, promenade, shops, restaurants and numerous terraces, making it a wonderful destination for shopping, a leisurely lunch or dinner in the evening.

Extra space to enjoy Spain together

With 3 bedrooms and 2 bathrooms, these apartments offer that extra space and flexibility that can make all the difference.

A separate bedroom for the children or grandchildren, plenty of room for visiting friends or an additional room where you can work in peace – the choice is yours.

This makes these properties particularly appealing as a second home in Spain, for extended winter stays or simply for anyone looking for a comfortable home where the whole family can spend quality time together.
