Exclusive living in the heart of the Costa Blanca

Discover a new way of living in La Nucía, where contemporary architecture, generous living spaces and Mediterranean elegance come together in an exceptional location. This exclusive new-build development is situated in the prestigious Ciudad del Deporte, offering a unique combination of comfort, tranquillity and an excellent central location on the Costa Blanca.

The stylish apartments feature 2 or 3 spacious bedrooms and have been thoughtfully designed to maximise natural light, space and modern-day comfort. The generous living room forms the heart of the home, creating a bright and inviting environment in which to fully embrace the Mediterranean lifestyle. Each property also includes a private parking space and storage room, adding an extra level of convenience.

The communal areas are designed for relaxation and enjoyment. Residents can unwind by the beautiful communal swimming pool, surrounded by attractive Mediterranean gardens, or maintain an active lifestyle in the development's fitness facilities.

An exceptional location with everything close at hand

One of the development's greatest assets is undoubtedly its location. Enjoy the peace and comfort of a high-quality residential environment while being within walking distance of the charming town

centre of La Nucía. Shops, restaurants, sports facilities and everyday amenities are all conveniently close by.

A brand-new shopping centre is also being developed directly next to the residential complex, bringing an extensive range of shops and services practically to your doorstep.

When you feel like heading to the coast, the beaches of Benidorm are only around 15 minutes away, with the blue Mediterranean Sea within easy reach. The picturesque town of Altea, renowned for its whitewashed streets, charming squares and beautiful seafront promenade, is also just 15 minutes away.

Excellent road connections put Alicante and its international airport approximately 30 minutes away, making this an especially convenient location for international homeowners and frequent travellers. Mediterranean luxury, every day

Here, you are choosing more than an apartment – you are choosing a lifestyle. Start your morning with a workout, spend a relaxing afternoon by the pool, stroll into La Nucía for lunch or drive to the coast for dinner overlooking the Mediterranean.

The combination of spacious apartments, contemporary architecture, excellent communal facilities and an exceptionally central location makes this development an ideal choice as a permanent residence, stylish second home or property on the Costa Blanca.

A place where comfort meets Mediterranean quality of life – and where every day feels a little like a holiday.
