Informação adicional:

Set on the largest plot in the urbanisation at 204 m², this 98 m² duplex built in 2015 spreads across three levels and offers a genuinely generous amount of outdoor space. A private garden sits at ground level, a large terrace occupies the first floor, and a rooftop solarium on the second floor captures distant sea views. The home has three bedrooms, two bathrooms, air conditioning throughout, a storage room and a garage, with an additional underground parking space included in the price. The community has two swimming pools, well suited to family life and holidays with children. Shops, bars and restaurants are within walking distance, and both beaches and golf courses are very close by. The property is part-furnished and offered for sale at 450,000 euros. For buyers seeking space, sunshine and relaxed Mediterranean living on the Costa Blanca, this address delivers on all counts.
