Single-Level Villa with Sea Views & Solar Power | Ideal Family Home or Investment

Discover an extraordinary single-level residence where timeless Mediterranean architecture harmonizes with modern energy efficiency, privacy, and an effortless coastal lifestyle. Positioned on a generous, elevated 960 m² plot within one of the region's most sought-after upscale residential enclaves, this 321 m² built villa (153 m² useful living space) offers a serene retreat framed by sea views and sun-drenched private gardens. Designed entirely on one level for ultimate functionality and comfort, the light-filled interiors seamlessly blend indoor and outdoor living:

Bright Living & Dining: A high-ceilinged open-plan living room with a cozy fireplace opens directly onto a covered terrace overlooking the Mediterranean coastline.

Modern Kitchen: Fully integrated open-plan kitchen and social dining area designed for entertaining.

Bedrooms & Baths: Three spacious bedrooms, including two en-suite bedrooms and a third dedicated guest bathroom.

Energy Efficient: Outfitted with an eco-conscious solar panel system, significantly lowering year-round running costs.

Outdoor Oasis: Beautifully landscaped mature gardens, private swimming pool, dedicated barbecue/outdoor dining area, large basement storage room, private garage, and ample off-street parking.
