In the quiet area of Benimallunt, just a few minutes from Benissa, this Mediterranean villa enjoys sea and mountain views from the pool and its two floors. The house is experienced from the living room. Large arched windows frame the landscape like paintings, and a wall of natural stone adds warmth. The living-dining room is spacious and open, directly leading to the terrace and pool. Next to it, a kitchen with wooden cabinetry, comfortable and well-equipped, and a bright office space for work. The house has been renovated and is ready to move in, with over 300 m² of construction. Outside, Mediterranean life begins. The pool, with the sea in the background, opens onto a large terracotta terrace, and around it, there are nooks for every moment of the day. A covered porch with wooden beams for long meals.
