The development has been designed around a relaxed, outdoor lifestyle, inspired by the light and natural landscapes that the Costa del Sol shares with California. The low-rise complex comprises ground-floor, first-floor and second-floor apartments, as well as penthouses, distributed across eight blocks. The buildings feature a sophisticated combination of stone, wood and glass, complemented by curved façades and spacious terraces.

Residents will enjoy an outdoor swimming pool, an indoor spa with a heated swimming pool, and a fully equipped gym. The development will also feature a coworking space and social area, providing a practical environment for those working from home or looking for a professional workspace close to their property.

The location offers an excellent balance between tranquillity and connectivity. Set alongside the golf course, the development enjoys a peaceful, green setting while remaining conveniently close to essential

services and amenities. The beach is approximately a 6-minute drive away, Finca Cortesín is around 12 minutes away, Estepona town centre is approximately 13 minutes away, and Marbella can be reached in around 20–25 minutes.
