Private pool, sophisticated design and Mediterranean living – welcome to your new home under the Spanish sun.

These exclusive new-build villas in Algorfa combine contemporary architecture, high-quality features and exceptional privacy. Set in an attractive golf course location, they offer a refined lifestyle where modern comfort meets the relaxed charm of the Mediterranean.

Clean lines, elegant design and a seamless connection between indoor and outdoor living give these villas their distinctive character. The private swimming pool is the centrepiece of the outdoor area, inviting you to enjoy sunny days, take a refreshing dip or spend relaxing evenings under the stars.

The interiors impress with a modern layout and carefully selected features. The kitchen comes equipped with fitted cabinetry and appliances. Air conditioning with individually controlled zones, electric underfloor heating in the bathrooms and an aerothermal hot water system provide additional comfort.

Built-in wardrobes, electric bedroom blinds and a 4 kW solar panel system complete the features.

A particular highlight is the private garage located beneath the house, offering convenient parking directly within the property and complementing the thoughtful design.

A privileged golf course setting

Algorfa is located in the south of Alicante province, in the heart of the Vega Baja region, and is a sought-

after residential location in the southern Costa Blanca hinterland. The surrounding landscape is characterised by Mediterranean scenery, abundant sunshine and a relaxed pace of life.

Situated by the golf course, these villas are ideal for golf enthusiasts and anyone seeking a peaceful and well-maintained residential environment. Restaurants, shops and everyday amenities are available in Algorfa and the surrounding area.

The Mediterranean coast is also within easy driving distance. The extensive sandy beaches of Guardamar del Segura are approximately 15–20 minutes away by car, depending on the exact location and route. Here, golden sands, impressive dunes and pine forests create a beautiful natural setting. The coastal areas around Torrevieja offer further attractions, including promenades, restaurants, shopping and leisure activities.

Alicante–Elche International Airport is also accessible by car, providing convenient connections to numerous European destinations.

Your private retreat under the Spanish sun

Whether you are looking for an exclusive permanent residence, a stylish holiday home or an investment property on the popular Costa Blanca, these contemporary villas combine privacy, modern design and an attractive location between the golf course and the Mediterranean.

A home for those who appreciate contemporary architecture, a private pool and the very best of Mediterranean living.
