Описание:

Located in Lasithi.

Currently used as a souvenir shop, but could easily be turned into a comfortable 2 bedroom ground floor apartment with lovely views of the sea and the small port of Elounda.

Located right in the centre of Elounda, only a 2 minute walk to the port and beaches.

The property is approx. 75m2 on the ground floor and there is an extra storage room of about 30m2 on the basement level.

Fully renovated in 2004, the property is in very good condition.

3 balcony doors lead out onto the back balcony, from which you have very nice sea views.

The property also has a small W/C.

The property could easily be made into an apartment with two bedrooms, open plan Kitchen/living/dining area and a bathroom.

The easy access into the property and to the centre of Elounda is a great advantage of this option.

Only a 5 minute drive to the province capital Agios Nikolaos.

50 minute drive to the international airport of Heraklion, Crete.

Elounda was a small fishing town on the Mirabello Bay, on the island of Crete. Although fishing is still a large part of life in this very picturesque area, tourism has taken over as the main industry of Elounda.

Part of the municipality Agios Nikolaos. It is popular with European tourists and has many hotels including several 5*hotels.
