For those looking to down-size without losing the wow-factor, this stunning detached dormer bungalow offers generous yet manageable living space across two floors.

Upon entering the spacious hallway it is immediately clear to see that this home has been loved and cherished by the current owner.

Downstairs there is a contemporary kitchen/dining space which accesses a pantry as well as a large living room which opens in to the stunning South-facing rear garden. There is also a garden room which is the perfect light and airy space to relax with a book looking out over your beautifully landscaped garden. Downstairs also play host to a third bedroom, a studio and a wet room.

Upstairs you will find a further two large bedrooms. These rooms are neutrally decorated and totally ready to move into and are filled with natural light from the dual aspect windows. The first floor is serviced by a spacious bathroom complete with neutral tiles and free-standing bath.

For those green fingered folk, the south-facing garden is without a doubt the real show stopper here. The rear garden is beautifully landscaped with well-stocked borders, mature trees and bushes and pond with serene water-feature. The garden has been levelled with pathways and is ideal for wheel-chair users. The front garden is similarly beautiful and offers a lawn as well as a further terraced area for al-fresco drinks

and dining.

The property also benefits from a detached garage which provides secure off-street parking.

We love: the light and bright sunroom and the beautiful garden.
