Описание:

In Pilar de la Horadada, a typical Spanish village, and just 500 meters from the center, we find a new and modern apartments complex with lower and / or upper floors, with a communal pool and green areas. The beaches can be found from the center of the village about 3 km away and by bike you can reach the beach of Torre de la Horadada in 15 minutes via the "Rambla". San Pedro del Pinatar with its beaches of Mar Menor is 4 km from the complex. At 5 minutes walking distance from the apartment we find the center of the village

with the shops, restaurants, bars and recreation. Golf enthusiasts have the Lo Romero golf course only 6 km away. The airports of Alicante and Murcia can be reached in 45 minutes.

This apartment is a upper floor with 2 bedrooms and 2 bathrooms, a large living-kitchen space with lots of light as it has large sliding doors through which one comes directly on the terrace of the house and from where there is a direct view to the communal pool. From the terrace you can go to the solarium and enjoy the beautiful views. Each house also has a place in a common area for bicycles. The materials used are modern and of high quality and the finishes have been done very professional.
