Описание:

This 3000m² agricultural land, located near the city of Chaves, offers a unique opportunity to get in touch with nature, with stunning views over the city. Although it is not allowed to build on it, the space is ideal for agricultural activities, leisure or simply to enjoy a quiet and panoramic environment.

The land already has a garage warehouse built, providing practicality and ease of access.

Its prime location combines the serenity of the countryside with proximity to all urban amenities, making it an excellent choice for those who value space, nature, and incredible views.
