Описание:

Looking for land in alentejo, for the construction of detached housing?

Near the village of Terena, municipality of Alandroal, you will find this plot of land with 8000 m2.

The land already includes approved project for construction of 2 bedroom housing, with 130 m2. Given the size of the land, after construction is with plenty of outdoor space, where you can implement a landscape architecture project, which includes different areas, directed to the enjoyment of moments of conviviality and leisure.

It is the ideal place to enjoy the calm and tranquility, which only the Alentejo landscape can offer, combining the Alentejo mount and the freshness of the Lucéfecit Dam, which is about 50 m. Terena Castle also offers stunning views.
