#### Описание:

A traditional manor house in an almost Tuscan setting.

The property begins with a climbing drive leading up to the north side of the house. The south-west facing "pool side" benefits from sprawling views of the neighboring hillside with a backdrop of the sea in the distance. On the south side of the villa a full size tennis court offers the same breathtaking views.

The property itself recently received a major face lift to give it a brighter feel; more modern bathrooms a kitchen and new furniture.

A stunning property on nearly 2 hectares of land, just a short drive from two picturesque Portuguese towns (Loule and São Bras de Alportel) and only 20 minutes from the coastline and major resorts (Quinta do Lago, Vale do Lobo and Vilamoura). The property due to its location and size has views in all directions while offering absolute privacy to whom is inside. Its general orientation (south-west) make it a lovely bright property with vast balconies from which to admire the sunset.

The house comprises of a spacious living room, south facing dining room and adjacent kitchen which all flow together. The 5 bedrooms are split between the guest rooms on the ground floor and the private area

upstairs; these are service by a total of 4 bathrooms. This property is the ideal hidden getaway for family or friends; once you arrive you won't want to leave.

A house not to be missed. - REF: VAP111680
