Описание:

The port of Mahón, located on the east coast of the island of Menorca, is one of the largest natural ports in the Mediterranean, with more than six kilometers in length. Strategically located in the center of the western Mediterranean and a depth of up to 30 meters the Port of Mahon (Menorca) is considered the largest natural port in the Mediterranean and the second deepest in

the world It is worth taking a leisurely walk through it. Long and relatively I breathe a calm alien to the time of the external sea. One imagines that this has been the case since the beginning of time In that enclave is that building with two garages, housing on the first floor of 180 m2, housing on the second floor of

180 meters connected from the inside loft of 120 m2 amplitude of the plot 8 linear meters, with garage on the ground floor of about 240 meters all in the first line of the port, without a doubt the best location of the port of Mahón is about 6000 meters from the white sandy beach. interior carpentry of pinotea treated in honey color, PVC exterior carpentry, north facing with the best views of the port of Mahón, stoneware floors

Extras: water, fitted wardrobes, bacon, attic, central heating, heating, water softener, pantry, gallery, gym, bedroom, laundry room, bright, light, gazebo, furniture, portholes, patio, t.v., terrace, sunbath, storage room, video intercom, buses, trees, central, shopping centers, medical centers, schools, coast, golf (about 22000 meters approx.), hospitals, parks, first line, supermarkets, sea views, , passage area,

children's areas, parking included

It is the house with the best views of the port of Mahón,

the living room has a lot of natural light and has a simply spectacular view, You sit on the sofa and start dreaming dreams. - REF: 701-04 AM 505
