Описание:

The Vines presents a combination of holiday home and investment project within a vineyard between Lagoa and Portimão, a 10-minute drive to the beach and 40-minutes to Faro airport. Three rows of modern steel frame suites are surrounded by picturesque vine-covered hills, offering unparalleled peace and tranquillity.

Each suite features one bedroom, a bathroom with walk-in shower, an open-plan kitchen and living room, as well as a private terrace, adjacent to a cosy private garden with a pergola providing sunshade, with a fold-out couch in the living room of the first row apartments, thereby converting it into a second bedroom.

The freehold apartments are available in two typologies, the 42m² second & third-row suites and the 52m² first-row villa suites. The Vines offers private individuals the possibility to purchase property in the heart of this picturesque Estate as the combination of holiday home and an investment opportunity. The Vines also offer a unique opportunity to rent or buy a vineyard and create your own wine with high-quality grapes that have been taken care of with the help of highly qualified experts. Plots range from 650m² to 8000m².
