Great opportunity to own a lovely home in the heart of Johnstown! This single story home is located on a quiet street, has three bedrooms on the main level and two additional bedrooms in the basement. There is new flooring in all the main floor bedrooms, two with new carpet, and one with new vinyl laminate. In addition, vinyl laminate flooring was added to the hallway and dining room to create a contiguous look throughout the main floor. The basement has an unfinished rec room area, bathroom and laundry area. Water heater replaced in November of 2020 and a new roof in November 2018. Don't miss out on this fantastic home! Close to Hays Market, the local library and YMCA, as well as local restaurants.
