This lovely ground floor studio flat offers a net rent of £12,432 and a net yield of 6.5%. Can be purchased tenanted or vacant. This well-placed studio flat offers ample opportunity for the right buyer to add to its value. Put your own personal stamp on a property with considerable potential right in the heart of Beckton, London.

Not only does each of its rooms present an opportunity for those in search of a project, but the property also sits in a highly desirable location, within easy reach of a wide range of local amenities - including schools, shopping facilities, hospitality establishments and the nearby Newham University Hospital.

The local area offers excellent transport links - with London City Airport right on the doorstep.

The property itself features an open plan layout. It is situated on the ground floor, and access from the road outside can be gained by way of a secure access system.

The secure front door opens into the property's hallway. This leads initially to a generous living space/bedroom with attractive floors and a large window that lets in plenty of natural light.

The kitchen area is complete with fitted cabinets, a hob and an oven.

The three piece shower room, which can be found just off the hallway, features a modern shower, a hand wash basin and a WC.

Residents of the complex share exclusive access to a large adjoining car park and communal garden.

As this property requires a considerable amount of redecorating, we strongly advise that interested parties arrange at least one in-person internal viewing prior to making an offer.

exclusively reserved for you, eliminating gazumping, time wasting and financial loss.

An administration fee of £396 is required in order to draw up an exclusive legally binding contract between the buyer and seller. This gives the buyer exclusive rights to purchase within a pre-agreed timeframe.

Exclusivity

Following the payment of the above amount, Springbok Properties will facilitate a fixed exclusivity period (approximately 12 weeks). During this time, surveys should be arranged and preparations made for the exchange of contracts. The property will be reserved, so there will be no risk of gazumping.
