This plot of 3790m², located at an elevation of 290m above sea level, with some slope but easy to build, includes a ruined house, has an unobstructed view to the east south, with the potential to develop urbanization of detached houses or even condominium of semi-detached houses, with the potential to develop a private complex, with easy road access and close to the center of Gaula and some services. It is located about 5 minutes from the access of the highway (VR1), 10 minutes from the airport and 20 minutes away from Funchal.
