Описание:

Strategically located, very close to the access to the motorway and close to the downtown area of Bilbao, we present this rectangular exterior pavilion that occupies the entire floor of the property. It enjoys luminosity and also the ventilation is natural. It has a powerful forklift to access the goods or machinery to the front door. The property has water and electricity connections, and is distributed according to the needs of the previous use. It is an interesting option to condition according to the specific needs of each user.

It is also an attractive investment for the future, since it has a significant stake in the entire property.

If you dare, we see it and discover all the possibilities it offers; sure you find enough incentives and interest. - REF: Pabellón 009170
