#### Описание:

Business opportunity is offered.

For investors who want profitability, offices are sold in full capacity, they are recently renovated, in a building with a mezzanine for offices, a doorman and a portal without architectural barriers.

The offices are located in an expansion and business area of the city, with a multitude of new buildings: the Garellano towers, the new bus terminal, university campus, administrative headquarters of the Basque Government and Provincial Council, soccer stadium, hospitals and a long etcetera.

In its surroundings there are the best communications in Bilbao, capitalized by the nearby Bilbao Intermodal station, formerly known as

Termibus, which is the main bus terminal in the town of Bilbao; and accompanied by metro, RENFE, FEVE and tram train stations.

The offices are located in front of the Boulevard de Sabino Arana, with wide sidewalks, a place for recreation and a walk.
