#### Описание:

María Tomasa real estate offers this spacious villa in a magnificent area.

Located in a quiet area within walking distance of the village is this villa. Beautiful views of the valley and the mountains that surround it. With access to the highway in a few meters.

This beautiful villa has a very large plot with swimming pool, fruit trees and olive trees in full production, which is developable with which it can be built without problem. The house has on the ground floor a very spacious parking lot and on your right we have the entrance to a large room from which you can access two rooms. On the upper floor surrounding the house we have the canopy from where we can observe the beautiful views of the valley and accessing the house we have the large living room with fireplace from which we go to the very spacious kitchen, to the right of this we have a pantry. From the living room we access a corridor that leads to the large bedrooms with fitted wardrobes and finally to the bathroom.

A unique opportunity to live quietly next to the town and with the possibility of expanding housing or even selling land.

Do you accompany me and we visit him? - REF: Petrer IJ 210044
