Описание:

In the tranquil Quickborn Heide, our new housing estate is a quiet place in a cul-de-sac with a direct connection to the "Wilde 13" day-care center. Located directly on the forest, the district is characterized by many families with children and a natural area. In our semi-detached house there is underfloor heating, a bathroom and a guest toilet, as well as a garden with many plants and privacy protection from various types of trees. The living room impresses with a lot of light throughout the day through the large windows and invites you to linger with the open kitchen. It is 2 kilometers to the local AKN "Meschensee" and within a radius of 500 meters there are also several bus stops with connections to the city of Norderstedt. It is only 5 kilometers to the center of Quickborn and it is also only 10-15 minutes to the surrounding towns of Henstedt Ulzburg and Norderstedt. There are also several supermarkets in the vicinity, such as Netto (900 meters), Famila (2.1 kilometers) and Rewe (1.8 kilometers). Especially for families there are several options with the kindergarten (50 meters) and the elementary school Waldschule (900 meters).
